Information for applicants

There is no deadline for completion and return of this form. However, the sooner you send it, the better the chance of achieving a good match. If your details or needs change over time, you can simply let us know and we will update your information. Email the completed form to **camdenpalacehotel@gmail.com**

Camden Palace Hotel assumes no responsibility for the relationship between you and the landlord, and cannot be involved in any negotiations or disputes. Our sole involvement will be in connecting you with landlords whose properties seem like a good match for a specific artist.

You are not obliged to accept any space that you see but we will ask you for feedback to understand better whose needs it might meet, and if the property is over-priced or just not suitable.

Feel free to pass on details of any space we find to another artist if it does not match your needs, but please tell us if you do this so that we can get that artist's feedback.

If this project works out well, we will make it a permanent part of our work. This will involve significant advocacy work with officials and elected members of Cork City Council and the eight Municipal District Councils across county Cork. If you have a close connection with anybody whom you think might assist in this, please contact us with details. It will help in more ways than you realise.
